

# Implementation

## Cross sector engagement

Workshops on the following:

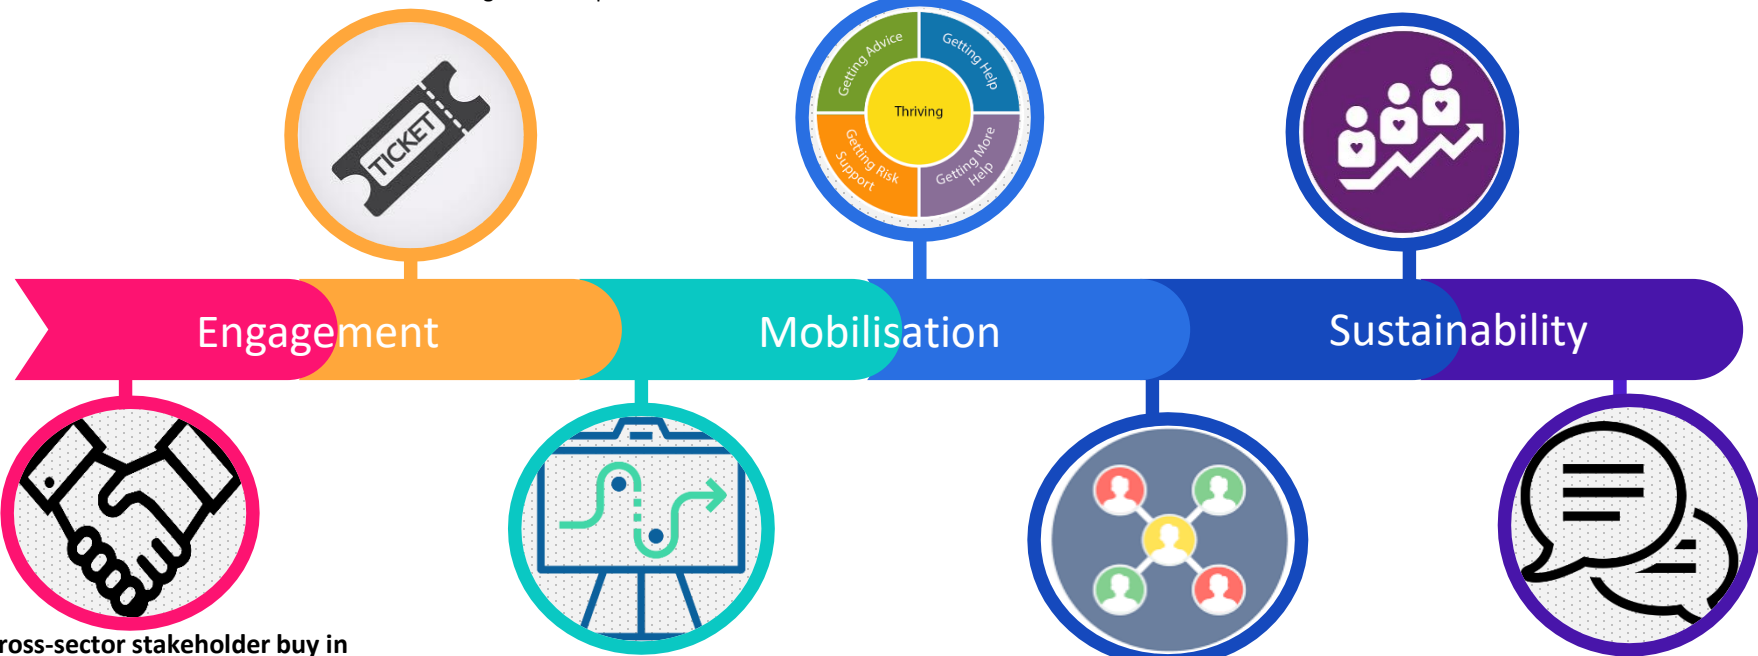

1. Overview of the THRIVE Framework
2. Mapping current offer with the THRIVE Needs Based Groupings and identifying areas of priority for development
3. Behaviour and Culture Change workshop

## i-THRIVE Academy modules

Blended mix of e-Learning and 'face to face' delivery of the five i-THRIVE academy modules

## Building sustainability

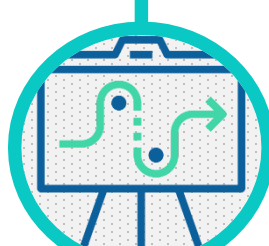

Capacity building in workforce through the train-the-trainer approach

Engagement

Mobilisation

Sustainability

### Key cross-sector stakeholder buy in

Overview of the THRIVE Framework webinar

### Mobilisation period

Initial review and planning phase, followed by targeted communications and engagement activities for both internal and external stakeholders

### Communities of Practice (CoPs)

Develop local CoPs and establish link in to the National i-THRIVE CoP

### Critical Friend

National i-THRIVE Programme team remain involved as a 'critical friend' to ensure fidelity to the Framework
